

COASTAL MAINE BOTANICAL GARDEN

Ashland Garden Club Road Trip
August 16-17, 2023

As we are enjoying some snowy winter weather, summer will be here before we know it. We are planning a two-day trip to the **Coastal Maine Botanical Garden** in Boothbay Harbor, Maine from Wednesday, August 16, to Thursday, August 17.

We plan to depart via shared transportation from Ashland, Wednesday morning and stay overnight in Boothbay Harbor that evening. On Thursday morning at 11:00, we can join the **Highlights Tour** at the Garden and spend most of the day there.

We strongly encourage everyone who plans to go on the trip to make their own hotel reservations ASAP. We recommend **The Flagship Inn** & ask everyone interested to contact the hotel directly to reserve a room. You can call the number provided or make your reservation online.

If you have any additional questions or need help securing a reservation, you can contact *Patti O'Hara* or *Sue Hendricks* for assistance.

Here are the hotel details:
