

Thank you to our hostesses Sharon And Lynn !

Program - Arabella Dane presented " Name That Plant " with a slide show and help from "Siri" discussed botanical and common names of flowers related to horticulture entry cards for exhibition in a flower show

A hands on fun judging of fruits, veggies and flowers !

Good References available -Plants of the world on line .com and plantipedia to help you with identification .

Meeting was opened by Sherry with pledge of allegiance
Civic beautification - Liz announced that each specific area team would take care of fall clean up

Birds - Cindy noted the presence of many birds still around ie: bluebirds , flickers

Announced that Sharon And Lynn would be in charge of the annual december christmas meeting to be held this year at Walter's Basin in Holderness

Fern and Sherry discussed November meeting of bulb pot planting and gave out a list of needed items
15" pot size with height of 12or 14", bag of compost, small bag of bulb fertilizer, 12 late flowering tulips, 6 each of narcissus and grape hyacyinth , 12 each of crocus and dwarf iris, black marker and gravel or broken pot pieces for bottom of pot

concept was discussed and further instruction will be given that nite

Nominating committee headed by Sherry Norman will start the process for club leadership , hope everyone gives this some thought to participate in some way to keep our club viable

Respectfully submitted , Linda Pare
